DOL Issues Holiday FAQs

Not to be outdone by the IRS, DOL issued today 15 additional FAQs regarding Affordable Care Act compliance issues. But, wait, there's more. The FAQs also address outstanding compliance issues for mental health parity. Any yet, there's still even more. The FAQs address wellness program compliance as well. It's a virtual shopper's paradise for health and welfare professionals today! We will be hearing more about these FAQs early next year, as they outline guidance DOL intends to issue in early 2011.
