SEPTEMBER 8, 2010

Mini-Med Waivers and OTC Reimbursements Explained

As noted previously, IRS announced the OTC reimbursement guidance for health FSAs and HRAs, and HHS announced the mini-med waiver program. Unfortunately, there is not much substance in the guidance, leaving many plan sponsors with numerous questions as they approach annual enrollment. We have posted our Legal Alert on these releases at the link below.

Reimbursing OTC Drugs and Applying for Mini-Med Waivers
