A Gov't Contractor's Guide To Trump Cybersecurity Order

Our recent post -- "'No Ransom, No Cry' – Trump's Latest Executive Order on Cybersecurity and Preventing the 'Next WannaCry' Virus" – caught the eye of *Law 360*. One of their editors asked us to expand on the blog post and go deeper on the issues being addressed. We accepted their offer. Please click here to read Chris Henel's expert analysis in *Law 360*: "." Thanks!
