<p>Federal</p> <p>CDC Guidance</p> <p>OSHA Guidance (provides industry specific links, including: airline operations, construction, dentistry, environmental services, healthcare, manufacturing, retail, and various food processors).</p>						X		X	<p>The CDC “recommends that people wear cloth face coverings in public settings and when around people that don’t live in your household, especially when other social distancing measures are difficult to maintain. Cloth face coverings may help prevent people who have COVID-19 from spreading the virus to others [and] ... are most likely to reduce the spread of COVID-19 when they are widely used by people in public settings. Cloth face coverings should not be worn by children under the age of 2 or anyone who has trouble breathing, is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.”</p>
<p>Alabama</p> <p>Amended Safer at Home Order</p> <p>FAQs re: Mask Order</p> <p>Alabama Public Health Orders</p> <p>Alabama Public Health Website</p>	X	X	X		X				<p>NOTE: Some Alabama localities have implemented additional requirements not addressed in this chart.</p> <p>Effective July 16, 2020, at 5 p.m., through July 31, all individuals over the age of 6 in Alabama are required to wear a mask or other facial covering at all times when within 6 feet of a person from another household when they are in an indoor space open to the general public; a vehicle operated by a transportation service; or an outdoor public space where 10 or more people are gathered. The Order contains certain exceptions for, among other things, young children, essential job functions, eating and drinking, exercising, and/or medical disabilities.</p> <p>It is further recommended that all employees of all businesses wear a cloth face covering while at work and in public to help against the spread of the virus. Employers are recommended to encourage the use of the masks for employees and customers, maintain social distance between employees</p>

Press Release Re: Increased Mask Requirements Effective July 13, 2020 Public Health Order May 5								Beginning July 13, masks are required in all public spaces, both indoors and outdoors. “The state’s mandate that all individuals must wear face-coverings in public – in effect since May 16 – will be strengthened to additionally require individuals to wear face-coverings while exercising. This requirement includes those exercising at indoor gyms and fitness centers. Operators of those establishments, like operators of other essential businesses, must require customers to wear face-coverings; violators will be subject to a fine.”
New York Executive Order 202.16 Department of Health Interim Guidance Re: Executive Order 202.16 Executive Order 202.17 Executive Order 202.34		X		X				NOTE: Some New York localities have implemented additional requirements not addressed in this chart. All individuals over the age of 2 and able to medically tolerate a face-covering are required to wear a mask when in a public place and unable to maintain, or when not maintaining, social distance. Business owners are have the discretion to refuse service to anyone not wearing a mask. Employers of essential businesses are required to provide face masks for employees who come into contact with customers or members of the public.
North Carolina Executive Order No. 141 Executive Order No. 147				X	X			NOTE: Some North Carolina localities have implemented additional requirements not addressed in this chart. All individuals are strongly recommended to wear face coverings in public. People are required to wear face coverings, with some small differences in the requirements, in the following settings: (1) in retail businesses, (2) in
