() Andrew Serafini earned a prestigious ranking from Chambers before sadly passing in February of this year. Clients told the researchers that, "Andrew is a highly skilled patent attorney with great knowledge of international matters and a sixth sense of issues that need to be looked at," and that, "He definitely knows his stuff. He is rock-solid on all fronts."*

Star rankings are given to attorneys with exceptional recommendations in their field.

Senior Statesperson is an attorney who, by virtue of close links with major clients, remains pivotal to the firm's success.

Eminent Practitioners are highly influential lawyers in a particular practice area who, due to managerial or client relationship commitments, are less active in fee-earning work but remain key players in the team.
