KIMBERLYNN DAVIS

PARTNER, KILPATRICK TOWNSEND AND STOCKTON

Kimberllynn Davis has a law degree and a doctorate in organic chemistry, an impressive combination that she uses as a partner in the intellectual property department at Kilpatrick Townsend.

Davis focuses on prosecuting patent applications in chemical arts, metallurgy and material science. Her clients include Facebook parent company Meta Platforms, aluminum giant Novelis and Emory University. She is a strong advocate for education and serves on the Atlanta Advisory Board chair for Jumpstart, an early education nonprofit. Plus, she uplifts fellow underrepresented lawyers through employee resource groups at Kilpatrick and her podcast, Sidebars.

Navigating the economy: “We are facing a period with unprecedented human capital shortages. I am ... serving in any and every role on the team. Titles and egos are checked at the door.”
