---

Please join us as we discuss the new administration's approach to federal funding and its implications for grant and aid funding and policy changes. We will explore topics including, but not limited to, the rescinded federal funding freeze, agency enforcement including contract/grant terminations, policy changes affecting grant administration, and what we might see moving forward.

## Event Details

---

Wednesday, February 12, 2025

Zoom

Topics will include:

- Summary of the federal funding freeze
- What sectors will likely experience an increase in grant funding?
- Agency enforcement including contract/grant terminations
- Policy changes that might affect grant administration
- What we might see moving forward
