CLE Credit

MCLE Credit

To meet MCLE regulators' attendance verification requirements for sponsors you must answer the poll questions during the program.

MCLE credit approval is pending. Credit generally is submitted, or certificates issued, within 60 days of post-program approval. CLE approval can take up to 90 days.

Kilpatrick Townsend & Stockton LLP will apply for CLE credit when eligible in California, Colorado, Georgia, Illinois, New York, North Carolina, Ohio, Texas, Virginia, and Washington. For states not listed, a Certificate of Attendance that lawyers may use to claim credit based on reciprocity or self-apply for credit will be provided.

We recommend you complete the program in one format only (live or on-demand) since many states do not allow attorneys to earn live and on-demand credit for the same program in the same compliance period. Virtual participation or on-demand credit is not eligible in PA.
