Artificial Intelligence Toolkit for In-house Lawyers, Second Edition

May 4, 2026

Kilpatrick was thrilled to partner again with Association of Corporate Counsel on the Second Edition of the Artificial Intelligence Toolkit for In-House Lawyers.

This toolkit required extensive collaboration across many of our practice specialties and we're immensely grateful for the Kilpatrick attorneys, and the in-house ACC members, who shared their expertise and insights to create this new, expanded edition.

Kilpatrick has a long history on the cutting edge of law and technology and we're proud to continue that tradition with this strategic tool for in-house lawyers to advise their businesses with clarity and confidence.

Newly Expanded and Updated for 2026
Gain practical AI strategies in this ACC toolkit designed for in-house lawyers, updated for 2026.

This essential resource for in-house professionals has been updated throughout and expanded to include a new checklist on Developing Governance for Agentic AI, as well as seven other helpful new resources:

Ten AI Trends in 2026

- AI Maturity Roadmap - 2026 Edition
- AI Use Cases for Legal Departments in 2026
- Track and Assess Outside Counsel's Use of GenAI
- Tips for Assessing EU AI Act High-Risk AI Systems
- Learn 10 Key Terms in Agentic AI Systems
- Assess Agentic AI Capability and Oversight
