Gwendolyn Payton Shares Her 2020 Resolution with Law360

Law360

JANUARY 27, 2020

"The never-ending demands of the legal industry can make it easy for lawyers to slip into some bad habits, and there's nothing like a new year to take stock and look for ways to reset.

Lawyers told Law360 they are settling into the year with an optimistic outlook and have a whole host of personal and professional goals they're hoping to achieve."
