June 3, 2022

Jennifer Arkowitz Named One of the Top 250 Women in IP

ATLANTA (JUNE 3) – Kilpatrick Townsend & Stockton announced today that **31** of the firm's attorneys were named to *Managing Intellectual Property's (Managing IP) - IP Stars* (2022), a highly respected guide to intellectual property law firms and practitioners around the world. *Managing IP* published its first legal directory in 1994. The IP Stars guide has expanded over the years and now covers over six IP practice areas and more than 70 jurisdictions, making it the most comprehensive, leading specialist rankings publication for the IP profession.

Managing IP also recognized [Jennifer Arkowitz](#) as one of the **Top 250 Women in IP**, a select list that includes senior female IP practitioners in private practice who have performed exceptionally for their clients and firms in the past year.

Managing IP research analysts obtain information from thousands of attorneys and their clients through interviews, email and online surveys. The researchers also conduct their own independent research, including an analysis of publicly available information. To be included, attorneys must have received a large number of recommendations from peers and clients. Attorneys cannot vote for their own inclusion or solicit votes from associates.
