Kilpatrick Townsend Elects Michael Tse to Partner

JANUARY 8, 2020

SAN FRANCISCO (January 8, 2020) – **Kilpatrick Townsend & Stockton** election of **Michael Tse** to its partnership effective January 1, 2020.

Mr. Tse is based in the firm's San Francisco office. He splits his practice between patent licensing and patent prosecution. Mr. Tse's patent licensing practice focuses on analysis and evaluation of patent assets for licensing, divestures, acquisitions, and litigation. His patent prosecution and counseling practice spans a wide variety of technology areas including computer and neural network architectures, semiconductor manufacturing, fintech security and transaction systems, cloud computing and various software technologies among others.

Prior to becoming an attorney, Mr. Tse has over ten years of industry experience as a design engineer designing a variety of integrated circuit devices including flash memories, server microprocessors, optical networking components, and global positioning systems.

Mr. Tse was recognized as a Northern California "Rising Star" in 2017, 2018 and 2019 for Intellectual Property by *Super Lawyers* magazine.
