Takeaways From Justices' Divergent Tribal Tax Treaty Opinion

Law360

March 27, 2019

Written by **Catherine F. Munson** and **Rachel B. Saimons**

In *Washington State Department of Licensing v. Cougar Den Inc.*, the United States Supreme Court delivered its first Indian law decision of this term and since Justice Brett Kavanaugh joined the court in a highly fractured ruling involving the question of whether a state tax infringes on a tribal treaty right.
