Indian Law from Behind the Bench: A Law Clerk's Perspective, Edition II

Arizona Attorney Magazine

July 31, 2023

Written by **Alexander M. Mallory**

In Alexander Mallory's previous Indian law article on this topic, he discussed legal writing tips for Indian law practitioners. In this edition, Alexander expands on those tips by including advice for tribal court judges and practitioners. He begins with the introduction section of court orders, moves to the legal standard and analysis sections, and concludes with stylistic tips.
