Building Upgrades Convince Kilpatrick to Stay in 34-Year Atlanta Home With New Lease Through 2040

Daily Report | ALM

JANUARY 9, 2026

"We have a lot of technology that's been infused into our premises here in terms of our office space, which is also a commitment to being a leading technology-focused firm."

Firm Chair **Wab Kadaba** discussed the firm's renewed Atlanta headquarters lease through 2040 with the *Daily Report*, highlighting upgrades that support collaboration, technology, and growth.

"The building itself with the renovations makes it feel a little like midtown Manhattan."
