Services

Intellectual Property
Patent Litigation
Patents

Industries

Health & Life Sciences

Marianthi Karas focuses her practice on patent litigation matters.

While attending Emory University School of Law, Marianthi worked with the firm as a summer associate in 2021 and 2022 in its Patent Litigation practice. She served as a Staff Member for the *Emory International Law Review*. Marianthi participated in the TI:GER® Program, a collaboration between Emory University School of Law and Georgia Institute of Technology that focuses on technology commercialization in a multidisciplinary context.

While attending the University of Florida, Marianthi was a research assistant in the Raizada Laboratory of its McKnight Bain Institute where she investigated the role of microglia in pulmonary hypertension.

Marianthi is a co-author of peer-reviewed scientific journal articles.
