Quick Overview: NFTs - What's The Big Deal? A Practical Introduction and Guide For In-house Counsel

Association of Corporate Counsel Resource Library

September 28, 2021

Written by **Sarah Anderson**

NFTs, or “non-fungible tokens,” are increasingly popular, but their use and operation—and any associated legal issues—can remain perplexing to those unfamiliar with the concept. This Quick Overview is intended to demystify NFTs at a broad level, introduce the concept and functionality to non-tech counsel, and provide a practical approach to addressing intellectual-property issues and other legal concerns that may arise in connection with NFTs.
