Sonia Baldia Quoted in *India Business Law Journal* Article

July 10, 2024

Washington D.C. Partner **Sonia Baldia** was recently quoted by the [*India Business Law Journal*](#) (IBLJ). Ahead of the national elections, the publication reached out to foreign lawyers named in the International A-List to ask about the top business opportunities they foresee in India this year, along with emerging trends.

The article quotes Sonia, “With current global economic conditions and high interest rates combined with declining valuations of Indian startups, US-based investors will continue to exercise caution and greater focus on profitability, continuing the dry funding spell of 2023.”
