Expert Call Recap: Bank M&A, Suddenly Shifting Sands

Jefferies Research

APRIL 14, 2023

Jefferies Bank Team hosted a call with Kilpatrick Townsend's Gary Bronstein to discuss bank consolidation, shifts in M&A thinking, and regulations that could pose challenges. The near-term bank M&A outlook is cloudy, given a tougher regulatory backdrop, likely rule changes, and profitability pressures. Longer-term, the need for scale remains paramount.
