Q4 Managing Partner Roundtable

Law Week Colorado

DECEMBER 31, 2019

On Dec. 4, *Law Week Colorado* gathered local law firm leaders to discuss the defining trends of 2019 and what to expect in 2020. The conversation ranged from litigation trends in family law, oil and gas, patent litigation and commercial civil litigation to law firm management strategies that managing partners will need to stay competitive for clients and top talent.
