Kate Gaudry Quoted by LegalZoom re: "Can You Patent Your Mobile App?"

LegalZoom

January 29, 2021

"Whenever you come up with a new idea, the fundamental question is 'What's new?'" says **Kate Gaudry**, a partner at Kilpatrick Townsend & Stockton LLP, which focuses on data-driven and strategic patent prosecution. "Is it not obvious? Is the new part of it tied to some sort of technical implementation? If the answer is yes, then it may be eligible for a patent."
