Supportive Organizational Leadership

Best Lawyers

January 9, 2020

Written by **J. Henry Walker IV**

The Best Lawyers in America® has always been the preeminent guide for recognizing great attorneys, and I remember with pride the first time I learned of my inclusion. Of late I've read quite a few legal think-pieces detailing the obligations that lawyers owe their firms. That's of course quite important. Here, though, I'd like to look at the other side of the coin and outline some of the vital support that firms can offer their leaders to help them succeed.
