Kilpatrick Townsend Honors International Women's Day 2022

March 8, 2022

Kilpatrick Townsend honors [International Women's Day 2022](#). This year's theme is #BreaktheBias where we are called to "'imagine a gender equal world' - free of biases, stereotypes and discrimination against women." We asked Kilpatrick Townsend colleagues to share stories of how they overcame barriers and challenges to forge women's equality. [Yendelela Neely Holston](#), [April Abele Isaacson](#), [Margaret McHugh](#), and [Stephanie Sanders](#) chronicle some of their experiences and the ways they broke the bias.
