Justin Krieger Recently Quoted in *Law360* Article, "How Attorneys Are Handling a Patent Review 'Sea Change'"

Law360

February 18, 2026

Denver Managing Partner **Justin Krieger** was recently quoted in *Law360* on how attorneys are adapting to the evolving landscape of the America Invents Act patent review system.

“In many instances, it would be highly ill-advised to file a petition for a patent that's older than six years,” Krieger noted, adding that settled expectations have been found when a patent is as young as four years old if the owner and challenger have engaged in negotiations.
