# The Hotelification of Offices, With Signature Scents and Saltwater Spas

**AUGUST 19, 2024**

Kilpatrick's beautiful Silicon Valley office and its Office Managing Partner, **Joe Petersen**, are currently featured in the New York Times, "The Hotelification of Offices, With Signature Scents and Saltwater Spas." The article highlights the high-end amenities and cutting-edge design of the Springline development that Kilpatrick became a part of in 2022.

Joe points out, "The firm's in-office attendance was 'materially better than our peer firms,' which he attributes to the space, saying it had 'a buzz' and 'draws people out.'" He adds that the firm's 10,000+ square feet space is perfect for interaction and collaboration.
