Having the Right Legal Tools in Your Market Uncertainty Toolbox: Being Prepared to Succeed Notwithstanding Trade Wars and Possible Downturns

by Colin M. Bernardino , Robert B. Shaw , Gunjan R. Talati

With trade wars, relocations, internet sales, and economic forecasts constantly creating market uncertainty, successful businesses must prioritize contingency planning and preparedness. Recently, Kilpatrick Townsend Partners, Joe Dowdy, Colin Bernardino, Robert Shaw and Gunjan Talati presented a webinar on the topic of "**Having the Right Legal Tools in Your Market Uncertainty Toolbox: Being Prepared to Succeed Notwithstanding Trade Wars and Possible Downturns**." The presentation provided an overview of the legal issues businesses should consider to mitigate risk and successfully achieve their goals.
