Litigation

Bet-The-Company

In today's high-stakes, high-risk business world, competition is fierce and disputes inevitable. At Kilpatrick, our litigators explore every avenue to resolve your most critical disputes. We seek to establish relationships for the long term, employing litigation strategies driven by your business imperatives. Our practice specialties cover the entire range of complex business disputes, from construction and infrastructure to employment, environmental, and class action litigation. We know how to out-perform the competition, and are frequently recognized for our success in trial and appellate courts and for our ability to craft business-driven solutions through mediation and arbitration.

Reach

Global Appeal

Kilpatrick provides both offensive and defensive litigation services in all types of trial, appellate, regulatory, and alternative dispute resolution venues throughout the U.S. and worldwide. Our team includes former law clerks for the U.S. Supreme Court, the U.S. Circuit Appeals Courts, and U.S. District Courts; former government officials at the White House, U.S. Department of Justice, and U.S. Attorneys' Offices; and many current and former adjunct law professors. We have a firm grasp of all aspects of a case — from onset to verdict — across all industries and specialty areas, enhancing our ability to take your case to the next level.

Approach

Persuasive Advocacy

We know the law and what it takes to win. Our attorneys bring diverse skillsets in trial and appellate litigation, mediation, and arbitration, backed by the extensive know-how of our IP and corporate colleagues throughout the firm. We have the right tools and strategies to access and manage litigation risks — before, during, and after the dispute — to preserve your competitive advantage critical to your company's success.
