Jonah Mitchell Quoted in *MLex* Article, "Proposed ITC transparency rule puts litigation funders under new scrutiny"

May 13, 2026

Jonah Mitchell was quoted in *MLex*'s article, "Proposed ITC transparency rule puts litigation funders under new scrutiny."

The US International Trade Commission's proposal to require disclosure of litigation funding is placing third-party funders under greater scrutiny in the powerful patent forum, prompting questions about how increased transparency could alter Section 337 investigation strategy.
