Industries

Construction & Infrastructure

Emilia Eye works primarily in dispute resolution as well as construction and consultancy law. She has extensive experience in advising Swedish and international clients within the framework of extensive construction and infrastructure projects. Emilia works both with ongoing project advice and as counsel in arbitration proceedings and court disputes.

Emilia has represented a variety of clients in the construction industry, including turnkey contractors, and subcontractors and consultants, both in Sweden and internationally.

Emilia's project experience includes industrial plants, water treatment plants, hydropower plants, energy storage facilities, natural gas pipelines, schools, and commercial buildings. She also has experience in drawing up and reviewing contracts, mainly in the construction industry.

To view this bio in both English and Swedish on the firm's Stockholm website, please [click here](#).

Experience

Represented Swedish and international construction and civil engineering companies, real estate companies, public actors, and consultants in disputes, both in arbitration proceedings and in general courts.

Provided ongoing project advice to contractors and public actors in a number of construction and infrastructure projects.

Drafted, reviewed, and negotiated construction contracts for building and civil engineering projects.

Reviewed and provided advice in connection with publicly procured contracts and construction projects.

Provided advice to publicly procured actors regarding compliance with various US regulations.

Provided advice in M&A transactions regarding compliance in publicly procured contracts.

Represented clients in reviews of public procurements before the GAO (Government Accountability Office).
