Senate Antitrust Subcommittee Discusses Hospital Consolidation Concerns and Solutions

Mondaq

June 1, 2021

Written by **Megan P. Fitzgerald**

On May 19, 2021, the U.S. Senate Subcommittee on Competition Policy, Antitrust, and Consumer Rights convened a hearing to discuss hospital consolidation. The hearing resulted in broad agreement in support increasing competition in the healthcare market while prioritizing patient care and outcomes, particularly in rural communities. There was significant disagreement, however, about the best legislative approaches for doing so.
