Kilpatrick Townsend Pledges Matching Contributions for Hurricanes Florence and Michael

OCTOBER 23, 2018

Kilpatrick Townsend has offered a matching gift of $35,000 for contributions made by our attorneys and staff to the American Red Cross to help those impacted by Hurricanes Florence and Michael. Our lawyers are being encouraged to register as a “Disaster Law Volunteer” with the State Bar of Georgia and to assist the Georgia Legal Services Program by answering questions posed to the disaster legal assistance category of their website. Lastly, our Raleigh office is spearheading a firm wide effort to assist families impacted in NC by creating flood buckets to help those who need to clean their homes after the water recedes as well as school kits to help students who lost their supplies.
