Succession Strategy: Do You Have a Plan?

Aderant Think Tank Blog

April 17, 2015

Written by **Daniel J. Ronesi**

Associate lawyers today face an unclear or undesirable path to partnership, so it isn't surprising that most firms lack an effective plan to ensure leadership succession. The typical advancement scenario involves high attrition, lengthening years to partnership, and then hiring outside the firm for laterals to fill leadership roles. The success of this approach remains in much debate.
