Think Tank: For Companies Fighting Knockoffs, the USITC Is a Holiday Gift

Women's Wear Daily

December 14, 2017

Written by **Aarti Shah**

With the giving season — and sales — in full swing, it's a good time to address the less-than-joyful subject of knockoffs: coal in the stocking for nearly all brand owners. While the enormity of the knockoff problem is well-known, a largely overlooked legal method can help companies obtain relief.
