## Fighting Fashion Lookalikes in China

*New York Law Journal*

August 26, 2025

Written by **Sindy Ding-Voorhees**

---

As a fashion law attorney with experience in both China and the United States, I've seen firsthand how Chinese consumers continue to embrace Western fashion brands.

These brands symbolize trendiness, social status, and international appeal. China remains a lucrative market for prestige labels.

Protecting brand value and combating counterfeits is a familiar challenge for Western fashion brands.
