Veteran Project Finance Partner Joins Kilpatrick From Stroock

November 28, 2023

Law360 (November 27, 2023) -- Kilpatrick announced Monday that it hired an experienced project finance partner from Stroock & Stroock & Lavan LLP who's spent over 30 years working on a wide range of energy projects both domestically and abroad.

John F. Pierce joined Kilpatrick earlier this month after spending the past two years at Stroock. He told Law360 Pulse that he was drawn to Kilpatrick because of the firm's strength in the energy sector, along with its greater international reach with locations in markets such as Beijing, Stockholm and Tokyo.
