Dylan Reel Named a Top 25 Lobbyist by North State Journal

JULY 29, 2024

Kilpatrick's **Dylan Reel** has been named a **Top 25 Lobbyist** by the *North State Journal*.

The 13-question survey sought to determine the scope, scale, and success of each lobbyist nominated by legislators. This fourth edition of the North State Journal's N.C. Top Lobbyists include, for the first time, separate categories for lobbyists representing trade associations and nonprofits. The rankings also include legislative influencers who advocate for the policies of state institutions, cabinet agencies, and Council of State offices.

In all, 133 individuals received at least one vote from legislative members but less than 4% of the registered lobbyist and liaisons made the list. The lobbyists survey was conducted in June 2024 and was delivered to every member of the General Assembly via email.
