Kilpatrick Attorneys Continue to Earn Distinction on *Managing Intellectual Property's* Prestigious IP Stars List

June 2, 2025

ATLANTA (June 2) - Kilpatrick announced today that firm attorneys **achieved 32 national and state rankings** in *Managing Intellectual Property's (Managing IP) - IP Stars (2025)*, a prestigious guide to the leading intellectual property law firms and practitioners around the world.

Managing IP published its first legal directory in 1994. The IP Stars guide has expanded over the years and now covers over six IP practice areas and more than 70 jurisdictions, making it the most comprehensive, leading specialist rankings publication for the IP profession.

Jennifer Arkowitz was named one of *Managing IP's* **Top 250 Women in IP** -- a special designation that recognizes senior female private practice IP practitioners who have performed exceptionally for their clients and firms in the past year.

Managing IP research analysts obtain information from thousands of attorneys and their clients through interviews, email, and online surveys. The researchers also conduct their own independent research, including an analysis of publicly available information. To be included, attorneys must have received a large number of recommendations from peers and clients. For more information about *Managing IP's* IP Stars methodology, please [click here](#).
