An Introduction to Carbon Markets

Climate Solutions and Simmons & Simmons

February 13, 2023

Written by **John F. Pierce**

Carbon markets possess a potential to address the climate crisis and enhance financial returns in a transformative way. “*An introduction to carbon markets*,” published in February 2023 by Climate Solutions and Simmons & Simmons, empowers global stakeholders to gain an understanding of carbon products, carbon markets and their regulation. As a contributor, John Pierce provides a thorough examination of U.S. law, regulation, compliance, and developments. Learn:

- What *is* a carbon offset?
- Under U.S. law, what is the legal nature of emission allowances?
- Discussion of U.S. voluntary carbon markets
