## Practice Guide | Oil, Gas and the Transition to Renewables 2024

*Chambers and Partners*

August 8, 2024

Written by **John F. Pierce**

---

**John Pierce** covers current trends and developments within the energy sector. His article explores the ever-evolving landscape across the energy incumbents, the renewables industry, and the journey towards a cleaner, more sustainable energy future. The publication also highlights the ongoing journey to a sustainable energy future, and the meaningful opportunities and complex challenges that brings for many political actors, energy producers of various kinds, and communities tied to fossil-fuel production and refining.
