A Gov't Contractor's Guide To Trump Cybersecurity Order

Our recent post -- “No Ransom, No Cry’ – Trump’s Latest Executive Order on Cybersecurity and Preventing the ‘Next WannaCry’ Virus” – caught the eye of *Law 360*. One of their editors asked us to expand on the blog post and go deeper on the issues being addressed. We accepted their offer. Please click [here](#) to read Chris Henel’s expert analysis in *Law 360*: “.” Thanks!
