Technology

Jesse Bennett is the Co-Leader of Kilpatrick's Electronics and Software Practice Group. He is a registered patent attorney who focuses his practice on patent preparation, prosecution, and related counseling.

Prior to joining the firm, Jesse worked as an associate at a large law firm in Atlanta, Georgia, where he counseled clients regarding licensing, patent prosecution, and trademarks. Jesse has experience counseling several *Fortune* 500 companies with their intellectual property needs. In particular, he has experience drafting U.S. and foreign patent applications and office action responses for inventions related to databases and data structures, memory architectures, authentication systems, digital imaging, network technologies, e-book readers and other consumer products, turbines and power station management, coupon and promotion systems, gaming and gambling platforms, payment processing, pharmaceutical claims processing, as well as various other software applications and business methods.

During law school, Jesse served as associate editor of the *FSU Law Review* and as an articles selection committee member of the *FSU Business Law Review*.

While attending engineering school at the University of Florida, Jesse was selected to participate in the Integrated Product and Process Design (IPPD) program, an inter-disciplinary internship with General Dynamics, where he designed and built a PLC interfaced software control system for a heat treat furnace.

Jesse is a member of the firm's Patent Operations Committee. In 2015, he was honored as King County Bar Association Volunteer of the Year. He was recognized in 2027 and the three years immediately preceding by *The Best Lawyers in America*® for Patent Law. Jesse is listed in the 2025 and 2026 editions of *Chambers USA: America's Leading Lawyers for Business* in the area of Intellectual Property. He was named a top patent practitioner in 2026 and the ten years immediately preceding by *IAM Patent 1000 – The World's Leading Patent Practitioners*. Jesse was recommended by *Legal 500 US* in 2023, 2024 and 2025 for Patent Prosecution. He was recognized as an "IP Star" in 2024, 2025 and 2026 by *Managing Intellectual Property magazine*. Jesse was named a "Patent Leader" in 2025 by *World IP Review*.
