Five Themes in Legal Pricing and the Business of Law

Aderant Think Tank Blog

AUGUST 16, 2017 Written by Daniel J. Ronesi

Law firms haven't “upended” the partnership model just yet, but they are facing headwinds and are the source of a major trend unfolding in the legal market. While artificial intelligence is grabbing much of the attention, in the background law firms are rethinking the traditional partnership model and focusing on becoming better businesses.
