# Podcast | Mark Riedy Featured on BioStar Renewables

*BioStar Renewables*

**APRIL 1, 2021**

---

RENEWables welcomes back Mark J. Riedy of Kilpatrick Townsend & Stockton LLP, an international project finance lawyer with over 45+ years in the energy, chemical and infrastructure space. His leadership across the renewables industry has been instrumental in making impactful legislative changes to USDA and U.S. Department of Energy (DOE) programs to help bioeconomy developers secure the federal funding needed to support ground-breaking technologies.
