Kilpatrick Townsend Elects Scott Kolassa to Partner

January 8, 2015

Partnership Effective January 1, 2015

SILICON VALLEY (January 9) – **Kilpatrick Townsend & Stockton** announced today the election of Scott Kolassa to its partnership effective January 1, 2015.

Mr. Kolassa is resident in the firm's Silicon Valley office and is a member of the firm's **Patent Litigation Team**. His patent experience spans a wide array of technologies, primarily in the electrical and computer arts, including integrated circuit design, semiconductor processing, networking and data communications, computer hardware and software, video processing, fiber-optic transmissions and e-commerce.

Prior to attending law school, Mr. Kolassa spent one year designing telecommunications software and more than four years designing automotive safety electronics and software. He is a named inventor on five patents relating to automotive safety electronics.
