Off the Radar Construction Law Jobs

ABA Construction Litigation Section's Practice Points

FEBRUARY 19, 2021 Written by Brian R. Gaudet

Assuming on-campus interviews for the summer clerkship programs did not yield the job you were looking for, or you are disenchanted with the type of law you are practicing, where do you look for a construction-law related job, other than posting resumes, searching online job postings and hiring a placement service? Here are some ideas.
