Chapter 15 of the U.S. Bankruptcy Code

Strategic Alternatives For and Against Distressed Businesses

April 18, 2016

Written by **Aaron L. Hammer**

Aaron Hammer published in leading treatise *Strategic Alternatives For and Against Distressed Businesses* (West, 2016). This 1500+ treatise, published by Thomson/Reuter/West is in its fifth edition. Originally conceptualized as a comprehensive state-by-state guide to ABC (Assignments for the Benefit of Creditors), the two-volume treatise has mushroomed to include 76 chapters covering virtually every aspect of restructuring and insolvency, including a state-by-state comparison guide to receiverships.
