The Chair's Seat: Wab Kadaba on Leading in a Changing Legal World

Legal Speak Podcast | Law.com

August 27, 2026

Kilpatrick Chair [Wab Kadaba](#) recently joined Law.com's Legal Speak podcast for the latest installment of "The Chair's Seat," discussing what it means to lead a global law firm amid an increasingly complex and evolving legal landscape.

In conversation with Alex Anteau, Wab shares his perspective on navigating geopolitical uncertainty, evolving client risks, and changes in the business of law. He also reflects on his path from intellectual property lawyer to firm leadership, as well as the importance of representation, community involvement, and service.
