Kilpatrick Townsend Adds Michael Feng in Silicon Valley

JUNE 15, 2017

MENLO PARK (June 15) – **Kilpatrick Townsend & Stockton** announced today the addition of **Michael "Mike" Feng** to the firm's Silicon Valley office as an Associate in the Medical and Mechanical Device Team in the firm's internationally recognized Intellectual Property Department.

Mr. Feng focuses his practice on intellectual property law, with an emphasis on strategic patent portfolio development and analysis. He prepares and prosecutes patent applications in a variety of fields that include, among others, photovoltaic systems, virtual reality display modules, semiconductor processing, electrical welding systems, electronic eyewear, and thermoelectric devices.

Before rejoining private practice, Mr. Feng served as Intellectual Property Counsel with SolarCity. Mr. Feng earned his J.D. from the University of California, Hastings College of the Law. He received his M.S. and B.S. in Mechanical Engineering from the University of California, Los Angeles.
