3 KEY TAKEAWAYS

Ethics Issues in Patent Prosecution

[Kilpatrick Townsend](#) partner [Charles Gray](#) recently co-presented on the topic of “Ethics Issues in Patent Prosecution” at the firm’s annual three-day “Ski-LE” in Colorado.

Three key takeaways from the discussion concerning “Ethics Issues in Patent Prosecution” include:

1

Foreign filing license requirements vary from country to country;

A number of jurisdictions have potential criminal and civil liability associated with foreign filing license requirements; and

2**3**

It is important to remember the ethical considerations related for foreign filing license requirements.
