Kilpatrick Townsend Adds Claudine Wong in Silicon Valley

SILICON VALLEY (December 4) – Kilpatrick Townsend & Stockton announced today the addition of **Claudine Wong** to the firm's Silicon Valley office. Ms. Wong joins the firm as an associate on the **Software and Electrical Engineering Team** in the internationally recognized Intellectual Property Department.

Ms. Wong focuses her practice on patent preparation, prosecution, and related counseling with a concentration in computer, software, mechanical and electrical technologies. Prior to entering private practice, Ms. Wong spent 15 years as a hardware engineer in the semiconductor field, specializing in pre-silicon verification. She began this career as an undergraduate with internships at IBM and continued her career through large, small, and startup semiconductor design firms, including Sun Microsystems and Cavium.

Ms. Wong earned a J.D., from Santa Clara University. She received her B.S. in Electrical Engineering and Computer Science from the University of California, Berkeley.
